

Brand of Level 3 Temporary Distribution Box

Article Overview

Lex Products, Trystar, Wieland, and Leviton are leading brands offering Level 3 temporary distribution boxes for industrial, entertainment, and construction applications.

Lex Products

Lex Products offers a wide range of portable power distribution boxes suitable for indoor and outdoor use, including the Load Master® Series, PowerHOUSE™, and PowerRACK™ lines. These boxes are designed for durability, safety, and flexibility, with adjustable circuit breakers and amperage ratings from 20 to 800 Amps. Many units are cULus listed and feature NEMA 3R weather-resistant ratings, making them ideal for temporary outdoor setups, live events, and industrial applications .

Trystar

Trystar provides rugged portable power distribution units for temporary, jobsite, and event applications. Their products are engineered for heavy-duty use, with UL/NEMA ratings and adaptable configurations to safely manage multiple loads. Trystar also offers mobile energy platforms like GridPak, which combine solar, battery storage, and supplemental generation for scalable, low-emission temporary power .
