

Can cable trays be deducted from input tax

Overview

In the GST system, you can claim back the tax you paid on raw materials (like buying steel sheets or PVC resin) and use it to offset the tax you owe when selling the finished cable trays. This is called the Input Tax Credit (ITC). Cable trays fall under Chapter 73 or 76 of the HSN system, depending on the material used (metallic or non-metallic). - The net VAT principle ensures that tax is only calculated on the value added, and that taxable persons along the supply chain may deduct the tax paid on previous transactions. This input VAT deduction plays a key role in monthly or quarterly filings and can significantly lower your tax payments. We're the market leader in helping. The right for taxable persons to reclaim VAT paid on acquired goods and services The Value Added Tax (VAT) right to deduction refers to a taxable person's right to claim from tax authorities the VAT they paid on the goods and services they acquired. This breakdown helps businesses properly map out their financial. Understanding Input Tax Credit (ITC) on Indirect Expenses under GST - What's Eligible & What's Not !
