

# Columbian optical cable purchasing manufacturers

## Article Overview

Key Colombian manufacturers of optical fiber cables include ETB, Fibras Ópticas de Colombia, and Preyco SAS, offering both products and network solutions.

### Leading Manufacturers

1. Empresa de Telecomunicaciones de Bogotá (ETB) ETB is a major telecommunications provider in Colombia, specializing in fiber optic internet solutions. They offer services such as splicing, certification, and structured cabling for both single-mode and multi-mode fiber systems. ETB focuses on high-speed connectivity for both residential and corporate clients, emphasizing technological innovation and network reliability .
2. Fibras Ópticas de Colombia This company develops optical fiber solutions for internal plant connectivity, data centers, and regional networks. They provide robust fiber optic infrastructure that supports public and private entities, enhancing communication and internet access across Colombia .
3. Preyco SAS Preyco SAS is a telecommunications distributor and manufacturer of fiber optic network equipment, including their own branded products like V-KOM and ZYXEL. They also design and construct fiber optic networks for various applications, making them a versatile partner for both equipment supply and network deployment .
