

European Molded Cable Tray Price Quote

Article Overview

EU molded cable trays are available from multiple European suppliers, and price quotes can be requested directly from manufacturers or distributors based on specifications and quantities.

Key Suppliers and Options

- Trayco offers cable trays with integrated ends, emphasizing lightweight design, high capacity, and ease of assembly, which can improve installation efficiency and reduce labor costs. Customized quotes are available for specific project requirements (Trayco) .
- Eurostrut provides hot-dip galvanized steel or stainless steel trays suitable for indoor and outdoor use, with open or perforated designs to prevent overheating. Quotes can be requested directly via their webshop, and they offer various widths, heights, and configurations for industrial and marine applications (Eurostrut) .
- Ekabel24 supplies a wide range of standards-compliant cable trays, including steel, stainless steel, and halogen-free plastic systems. Their products meet DIN EN 61537 and international standards, ideal for contractors and industrial installations. Price quotes can be obtained by contacting their sales team (Ekabel24) .
- Eurotray specializes in EU series strengthened molded cable trays, designed for reinforced carrying capacity, recessed slots to prevent cable damage, and high visual performance for exposed installations. Their lightweight design contributes to faster assembly, and quotes can be requested based on project specifications (Eurotray) .
- Elmark offers a large range of cable trays across Europe, with options for different materials and configurations. Price quotes are available through their online store or sales representatives (Elmark)
