

Fiji Industrial-Grade Switch Manufacturer

Article Overview

Fiji offers several suppliers and manufacturers of industrial-grade switches, including Poly Products Fiji, Bluepeaks PTE LTD, and international industrial Ethernet switch providers like JXRD18F-SFP.

Local Manufacturers and Suppliers

Poly Products (Fiji) Pte Limited provides a wide range of electrical switches suitable for industrial applications, including standard and smart switches, distribution boards, surge protectors, contactors, overloads, soft starters, variable speed drives, sensors, dimmers, and circuit breakers. Their products are designed for safe, efficient, and modern connectivity in industrial, commercial, and residential settings. Bluepeaks PTE LTD specializes in sourcing and supplying electrical, communications, data, solar, and lighting components across Fiji and the Outer Islands. They cater to industrial clients, hotels, and residential customers, offering a one-stop solution for electrical and automation needs. Yellow Pages Fiji lists multiple suppliers of electrical switches and control equipment, providing access to quality components, panels, and automation solutions suitable for industrial environments.

Industrial-Grade Ethernet Switches

For high-performance networking, the JXRD18F-SFP series is an industrial-grade Ethernet switch available for Fiji. Key features include:

- Ports: Eight 100 Mbps electrical ports and one 100 Mbps fiber optic port (SC interface, multimode dual-fiber, 2 km transmission distance)...
