

Ghana Warranty Network Security Equipment 100G

Article Overview

High-speed 100GbE network switches and security equipment are available in Ghana with warranty support from leading suppliers like ServerBasket, Airnet Limited, and GloneTech.

Suppliers and Availability

ServerBasket offers a wide range of 100GbE network switches suitable for medium to large-scale businesses in Ghana, including brands like Cisco (Catalyst 9500 & 9600), Juniper (QFX5130), Arista (7300X3 Series), Fortinet, Aruba (CX 8325), Broadcom, MikroTik, and Mellonax (Nvidia SN 2700 Spectrum 100GbE). These switches support high-speed data transfer, cloud computing, AI applications, and big data analytics. ServerBasket provides one-year warranty, free shipping, tech support, and a 7-day return policy, with delivery across Accra, Sunyani, and Kumasi. Airnet Limited supplies networking devices including Wi-Fi routers, network adapters, and Ethernet switches at affordable prices, designed for both business and residential use. They focus on quality and reliability, which is essential for secure network deployment. GloneTech IT Solutions specializes in structured cabling, network switches, routers, servers, UPS, and security systems. They provide end-to-end IT solutions, including Cisco and Microsoft solutions, VPNs, unified threat management, and CCTV system installation for residential and commercial premises. Their services ensure high bandwidth connectivity and secure network infrastructure.
