

Greek custom-made electrical distribution box manufacturer

Article Overview

Vilma Group, Armet, and other specialized Greek companies offer custom-designed electrical distribution boxes and enclosures for industrial and commercial applications.

Key Manufacturers

Vilma Group – Based in Patras, Vilma Group has been supplying electrical switchgear and equipment since 1973. They design and manufacture custom-built low and medium voltage switchboards, power distribution boards, and integrated switchboard solutions. Their services include engineering, manufacturing, installation, and ongoing support, with a focus on high-quality materials, innovative design, and compliance with international standards . Armet – Operating since 1989, Armet specializes in SMC/GRP/FRP polyester meter boxes, cabinets, and distribution boxes, including solutions for electronic smart meters. Their products are suitable for outdoor use and are manufactured according to EN/IEC, ISO, DIN, and ASTM standards. Armet offers custom mold development to meet specific client requirements, ensuring flexibility and timely delivery . Sheet Metal Factory Greece – This company provides custom electrical enclosures, cabinets, and boxes with over 22 years of experience. They offer one-stop solutions for design, processing, and customization, supported by a professional technical team and advanced equipment . Other Notable Companies – Additional Greek manufacturers include GEYER, which focuses on low voltage distribution boards and miniature circuit breakers, and PES (Power Energy Solutions), which provides medium and low voltage distribution solut...
