

Haitian electrical distribution box manufacturer

Article Overview

Matelec S.A. and Brilltech Engineers Pvt. Ltd. are key providers of electrical distribution solutions in Haiti.

Local Retailer and Supplier: Matelec S.A.

Matelec S.A. is a well-established Haitian retailer and wholesaler offering a wide range of electrical parts, wiring devices, and home electrical equipment, including distribution boxes suitable for residential use. They operate multiple branches in Port-au-Prince and Pétion-Ville, providing convenient in-city pickup and online support via e-catalog and WhatsApp for product inquiries and stock checks. Their product range includes circuit breakers, wiring devices, and small electrical panels for home installations, making them a practical choice for local buyers seeking both retail and wholesale options (Matelec S.A.), .

Manufacturer: Brilltech Engineers Pvt. Ltd.

Brilltech Engineers Pvt. Ltd., although headquartered in India, manufactures and supplies power distribution panels to Haiti. They produce a variety of electrical panels, including LT Distribution Panels, Load Management Panels, DG Synchronization Panels, Outdoor Power Panels, and HT Panels, which are suitable for residential, commercial, and industrial applications. Their panels are made with high-quality raw materials, epoxy power finishing, and ISO-compliant standards, ensuring durability and safety. Brilltech also offers customized solutions to meet specific proj...
