

How much does a cable tray manufacturer in Singapore charge

Article Overview

Cable tray prices in Singapore vary widely depending on material, size, and type, typically ranging from SGD 50 to SGD 500 per unit, with exact quotes available directly from suppliers.

Overview of Cable Tray Types and Materials

Cable trays are essential for organizing and supporting electrical cables in industrial, commercial, and infrastructure projects. Common types include:

- Ladder Trays: Ideal for heavy-duty applications and long cable runs.
- Perforated Trays: Lightweight, allow airflow, suitable for medium loads.
- Wire Mesh Trays: Flexible and easy to install, often used in data centers.
- FRP (Fiberglass Reinforced Plastic) Trays: Corrosion-resistant for chemical or outdoor environments. Materials commonly used in Singapore include stainless steel (SS304, SS316, SS316L), hot-dipped galvanized steel, aluminum, epoxy-coated steel, and mild steel .

Example Supplier Offerings

- RS Components Singapore: Offers steel, aluminum, and stainless steel trays suitable for industrial and commercial use, with modular designs for easy installation .
- IGEMarket: Lists specific models such as 300mm G18 cable trays with trunking, earth links, and joint plates, available in multiple colors and sizes
