

Imported Industrial Distribution Box Company

Article Overview

Leading suppliers of imported industrial distribution boxes include DOHO, Global Sources verified manufacturers, and Chinese OEM/ODM factories offering customizable, high-quality enclosures.

Key Suppliers and Manufacturers

DOHO Electric is a major Chinese manufacturer specializing in distribution boxes for industries such as solar energy, wind energy, data centers, communications, and new energy vehicles. They provide both standard and custom solutions, adhering to ISO 9001, 14001, and OHSAS 18001 quality standards. DOHO offers OEM/ODM services, rapid product development, and a wide selection of durable distribution boxes built from high-quality materials for demanding industrial environments . Global Sources connects buyers with verified wholesale suppliers of power distribution boxes. The platform lists manufacturers offering OEM, ODM, and OBM services, providing details on minimum order quantities, overseas trade capabilities, and product categories. This makes it convenient for companies seeking bulk imports or customized industrial distribution boxes . Made-in-China features a broad range of industrial distribution boxes, including modular cabinets, IP-rated enclosures, and temporary power distribution boxes. Suppliers on this platform offer wholesale pricing, customization options such as busbar fitment, cable entry modifications, and logo embossing, making it suitable for distributors and OEM buyers . DENG YUE provides industrial electrical distribution boxes designed for robustness and reliability. Their products include multiple plug sockets and are engineered for high-performance power distri...
