

Ivory Coast electrical box factory

Overview

The installation of the Nexans Ivory Coast plant will support the electrification and residential and tertiary construction program in the country. Built in the new PK 24 industrial zone, the 32,000 m² factory will produce low voltage cables for the residential and tertiary. Five years of innovation, excellence and connectivity with Nexans Côte d'Ivoire! Thanks to its expertise and high-quality engineering, Nexans Côte d'Ivoire has launched a complete range of CODINORM-certified products that meet the highest safety standards. CODINORM-certified products that comply. As a gateway to the West African sub-region, Ivory Coast is the driving force behind the ECOWAS economy, with continuing growth of cables and electrical transformers markets in recent years. Thanks to Perkins activity, Seco Power is very present in the Generator sets business, selling Spare Parts. With 5 400 employees in 2023 and 54.02% owned by Eranove, the Ivory Coast Electricity Company (CIE) is a private provider that has been linked to the Ivory Coast's government by a concession agreement since 1990. MTM Power is a German manufacturer of AC/DC power supplies and DC/DC converters. Moreover, our focus on maintaining high.
