

Middle East Multimodal Pigment Manufacturer Direct Sales

Article Overview

Key pigment manufacturers and distributors in the Middle East include Omni Color, Star Chem FZE, Aala Petrochemicals/XChem Global, and Polychem Middle East, offering direct sales of pigment pastes and colorants for multiple industrial applications.

Leading Companies and Offerings

Omni Color provides a wide range of pigment pastes suitable for water-based paints, polyurethane, epoxy, polyester, and industrial coatings. Their products include formaldehyde-free, heavy metal-free, and binder-free pigment pastes, compatible with various formulations such as emulsion paints, textured coatings, and architectural enamels . Star Chem FZE, based in Sharjah, UAE, acts as a distributor of specialty chemical raw materials, including pigments, to industries across the Middle East. They serve markets such as paints, resins, coatings, inks, adhesives, and plastics, offering direct sales and customer support for industrial clients . Aala Petrochemicals Trading LLC operates under the XChem Global brand, supplying high-quality pigments and additives to paints, plastics, inks, construction, and cosmetics industries. They provide both local and global distribution, ensuring direct access to pigment products and customized solutions for industrial applications . Polychem Middle East, headquartered in Ajman, UAE, manufactures and distributes the “POLYCOLORS” range of polyester pigment pastes and other composite-related colorants. They serve the Middle East, Africa, Sri Lanka, and India, offering direct sales, competitive pricing, ISO-certified quality, and comprehensive after-sales supp...
