

Mozambique mesh cable tray prices are reasonable

Article Overview

Mesh cable trays in Mozambique are generally considered affordable, offering good value for their durability and ease of installation.

Pricing and Affordability

Mesh cable trays in Mozambique are recognized as a cost-effective solution compared to other cable management systems. They are priced reasonably, especially when considering their long lifespan, minimal maintenance requirements, and ease of installation . Suppliers such as Jeetmull Jaichandlall and Brilltech Engineers offer competitive market prices for high-quality steel or aluminum trays . These trays are often customizable to meet specific project requirements, which adds flexibility without significantly increasing costs .

Material and Durability

Most mesh cable trays are made from recyclable materials like steel or aluminum, providing both strength and sustainability . Galvanized and hot-dip galvanized options are available, offering corrosion resistance and suitability for harsh environmental conditions . This ensures that the trays maintain structural integrity over time, reducing the need for frequent replacements.
