

Nepal Three-Year Warranty Butterfly-Shaped Optical Cable OM5

Article Overview

Butterfly-shaped OM5 optical fiber cables with a three-year warranty are available in Nepal through leading suppliers like D-Tech and Technovate, offering high-performance multimode solutions for networking and telecom projects.

Overview

OM5 fiber optic cables are multimode, wideband fibers designed for high-speed data transmission, supporting applications such as FTTH, FTTx, ISP backbones, CCTV networks, and long-distance fiber connectivity. The butterfly-shaped design allows for compact, flexible installation, making it ideal for indoor cabling, data centers, and structured network setups. These cables are engineered for low signal loss, high durability, and stable performance over time.

Suppliers in Nepal

- D-Tech Trading supplies a wide range of fiber optic cables, including OM5 multimode cables, suitable for outdoor, aerial, and indoor installations. They offer custom lengths and provide fast delivery across Nepal, along with accessories and complete fiber optic solutions .
- Technovate International Pvt. Ltd. imports high-quality fiber optic products and emphasizes end-to-end solutions with strong after-sales support, which may include warranty coverage .
- Cable Tech Nepal also provides fiber optic cables for telecom and networking proj...
