

Network Fiber Optic Cable Manufacturer

Article Overview

Leading fiber optic and network cable manufacturers include Prysmian, Corning, Nexans, AFL, OFS Optics, and YOFC, offering global solutions for telecommunications, data centers, and enterprise networks.

Global Leaders

Prysmian Group – Headquartered in Italy, Prysmian is the largest fiber optic cable manufacturer globally, with a 15% market share. They produce optical fibers, fiber-optic cables, submarine cables, and fire-resistant solutions. Their products are used in long-haul, metro, and indoor networks, supporting 5G infrastructure and high-capacity submarine networks . Corning Inc. – Based in the U.S., Corning holds approximately 10.4% of the global market. They specialize in low-loss, high-purity optical fibers, bend-insensitive designs, and data center solutions. Corning invests heavily in R&D, developing 800G Ethernet solutions and ClearCurve fibers for tight bends . Nexans – A European manufacturer known for CPR-compliant cables that meet stringent fire safety standards. Nexans provides indoor and outdoor fiber optic solutions, maintaining signal integrity under extreme conditions . AFL (Advanced Fiber Logistics) – Operating in the USA, Mexico, UK, and Germany, AFL is recognized for OPGW (optical ground wire) technology and high-density fiber solutions for data centers. They emphasize proper installation practices to reduce network failures . OFS Optics (Furukawa Electric) – A U.S.-based subsidiary specializing in advanced fiber optic technologies for telecommunications, medical imaging, and defense applications. OFS focuses on innovation and domestic supply chain support . YOFC (Yangtze Optical Fibre and Cable) – Headquartered in China, YOFC is a major global supplier of optical fibers and cables, serving telecom operators and enterprise netw...

Top 15 Fiber Optic Manufacturers (2026 Global Ranking)

An authoritative 2026 guide to the top 15 fiber optic manufacturers — from Corning and Prysmian to Fujikura and LS Cable — with

General Cable

General Cable provides high-performance fiber optic, copper, and coaxial cable solutions for telecom and industrial applications

Industrial Fiber Optics

Industrial Fiber Optics is a world leader in manufacturing polymer and large-core silica optical fiber cable assemblies. We specialize

Corning Optical Communications | Fiber Optic Connectivity Solutions ...

We deliver optical connectivity solutions for every segment of the network, including carriers, data centers, in-building networks, and

Fiber Optic Cables

FS provides multiple fiber optic cable types and cabling solutions proven in the demo scenario lab to ensure reliable high-speed

Fiber Optic Products Supplier & Manufacturer

Our optical communication connectivity products designed to help you enable your communication networks. All the products are

Fiber Optic Cable Companies

Top Fiber Optic Cable Companies, Leaders & Major Players Explore list of the top Fiber Optic Cable companies based on extensive

Best 10 Fiber Optic Cable Manufacturers

Find reliable fiber optic cable manufacturers for your project. Compare 10 top-rated global suppliers including Corning,

109 Fiber Optic Cable Manufacturers in 2026

This section provides an overview for fiber optic cables as well as their applications and principles. Also, please take a look at the list

Optical Communications Products | Communication Network

Browse our optical communication connectivity products designed to help you enable your communication networks. Easily create a

Fiber Optic Cables | Corning

With 2 billion kilometers of fiber optic cables installed around the globe, Corning continues to lead the industry in product quality and
