

North Asia Distribution Box Sales Manufacturer

Article Overview

Leading distribution box manufacturers in North Asia include DOHO, OOHMAGE, and Zhejiang Guozhen Electric, offering high-quality, customizable electrical distribution solutions for industrial, commercial, and residential applications.

Key Manufacturers

DOHO Electric is a major Chinese manufacturer specializing in distribution boxes and power distribution products. They provide both OEM and ODM services and cater to industries such as solar energy, wind energy, data centers, communications, and new energy vehicles. DOHO emphasizes ISO 9001, 14001, and OHSAS 18001 compliance, ensuring high-quality production standards. Their product range includes standard and custom distribution boxes made from durable materials, designed for reliable performance in demanding environments . OOHMAGE is another leading manufacturer in China, known for precision-engineered electrical distribution boxes. Their products are designed for residential, commercial, and industrial systems, offering efficient power management, safety against electrical faults, and high-precision DC components for enhanced reliability. OOHMAGE focuses on robust, safe, and operationally efficient solutions, making them a trusted supplier for diverse applications . Zhejiang Guozhen Electric Co., LTD produces a wide range of low-voltage electrical apparatus, including molded case circuit breakers, terminal strips, and IP65-rated metal distribution boxes. Their products are durable, rust-resistant, and suitable for industrial and commercial installations. They also offer customizable wiring terminals and enclosures to meet specific client requirements
