

Pakistani factory electrical distribution box manufacturer

Article Overview

Key manufacturers of electrical distribution boxes in Pakistan include Reliable Electric, Alfazal Industry, Clopal Electric, MEK Pakistan, and Hero Electric.

Major Manufacturers and Suppliers

Reliable Electric offers a wide range of distribution boxes suitable for residential, commercial, industrial, solar, and EV applications. Their products support three-phase power systems and are imported, genuine, and high-quality, with a focus on durability and reliability in Pakistan. Alfazal Industry manufactures indoor and outdoor electrical panels and distribution boxes in Karachi, Lahore, and Islamabad. They produce LT panels, motor control panels, LV panels, DOL junction boxes, and solar DC/AC combiner panels. Their distribution boxes incorporate safety devices like MCBs, RCCBs, MCCBs, and isolators, ensuring protection for both residential and industrial installations. Clopal Electric provides distribution boxes at affordable prices with doorstep delivery across Pakistan. Their products are designed to manage electrical, data, and server connectivity wires efficiently, offering protection against environmental factors such as rain, moisture, and sunlight. MEK Pakistan supplies electric distribution boxes and cabinets, with easy contact options for inquiries and orders. They focus on providing prompt customer support and a variety of enclosures for different electrical applications. Hero Electric (Hero Pak Electrical Industries Pvt. Ltd.) is an ISO 9001-2000 certified manufacturer based in Sargodha, with sub-offices in Lahore, Rawalpindi, Sukkur, Quetta, and Karachi. They have a dealer network covering 94% of Pakistan's population and emphasize R&D and customer feedback...
