

Portuguese Home Distribution Box Wholesale Manufacturer

Article Overview

AL and Quitérios are leading Portuguese manufacturers of home distribution boxes, offering high-quality electrical panels and wholesale solutions.

Key Manufacturers

AL AL, established in 1984, is a prominent Portuguese manufacturer of electrical boxes and panels for residential, water, and gas circuits. The company produces a wide range of products using materials such as PVC, ABS, polycarbonate, polystyrene, and glass fiber-reinforced polyester, ensuring compliance with national and international safety standards. AL designs all its products in-house and has a strong focus on quality, certifications, and export partnerships in Spain and Poland, making it a reliable wholesale supplier for home distribution boxes . Quitérios Quitérios has over 40 years of experience in designing and manufacturing electrical and network distribution solutions, including distribution boards, VDI systems, and racks for household and commercial buildings. Their expertise in both residential and commercial applications positions them as a key supplier for wholesale distribution of home electrical panels in Portugal .
