

Price of electrical distribution boxes for sale in New Zealand

Article Overview

Electrical distribution boxes in New Zealand range from approximately NZD 50 to over NZD 500 depending on size, material, and protection rating.

Local Suppliers and Price Ranges

Scott Electrical offers a variety of meter boxes and distribution enclosures suitable for residential and commercial use, with prices typically starting around NZD 50-150 for standard meter boxes and small junction boxes, while larger or lockable models can cost more . PBTech stocks distribution and termination boxes, including fibre termination enclosures and IP65-rated lockable boxes. Prices vary by capacity and features, with smaller indoor/outdoor boxes starting around NZD 100-200, and larger 48-position fibre termination boxes priced higher . Dick Smith provides industrial-grade electrical boxes and enclosures with IP66 waterproof ratings, reinforced locks, and mounting backplates. These are ideal for construction sites, factories, and outdoor installations, with prices ranging from NZD 150-500 depending on size and specifications . Legrand/Trical offers premium New Zealand-made commercial switchboards and meter boxes. Pricing is available on request, but their products are positioned as high-quality, engineered solutions suitable for large-scale or specialized projects .

Key Considerations

- Protection Rating: IP65-IP66 boxes provide dust and water resistance, essential fo...
