

Price of front-side cable tray tee

Article Overview

Front-side cable tray tees typically range from £10 to £50 depending on material, size, and duty rating.

Cable tray tees are essential components for branching cable runs in electrical installations, available in light, medium, and heavy-duty options . Prices vary based on material (steel, pre-galvanised, or stainless steel), size (width and depth), and manufacturer. For example, pre-galvanised medium-duty equal tees in the UK generally start around £10-£20, while larger or heavy-duty steel tees can cost £30-£50 or more .

Factors Affecting Price

- Material: Galvanised steel is more affordable than stainless steel.
- Duty Rating: Light-duty tees are cheaper than medium or heavy-duty options.
- Size: Wider trays or larger tees increase cost.
- Supplier: Prices differ between wholesalers and online retailers; bulk orders may reduce unit cost .

Where to Buy

- UK Suppliers: TradeSparky, Shop4 Electrical, CMW Ltd offer online ordering and next-day delivery for many cable tray tees .
- India Suppliers: IndiaMART lists multiple manufacturers and exporters for cable tray tees, suitable for industrial projects . For an exact price, it is recommended to contact suppliers directly with your required specifications, including tray width, material, a...
