

Price of right-angle bends for cable trays climbing walls

Article Overview

Medium-duty 90° cable tray bends typically range from £10 to £50 per piece in the UK, depending on size, material, and brand.

Pricing Overview

- Shop4 Electrical offers pre-galvanised medium-duty 90° cable tray bends with prices starting around £12-£30 per bend, depending on tray width and specifications, with free next-day delivery on orders over £100 ex VAT .
- CMW Ltd provides medium-duty cable tray bends and risers suitable for commercial and industrial projects, with prices generally in the £15-£40 range, depending on size and material .
- Netceed UK and TradeSparky also stock bends from brands like Armorduct, Unistrut, and Legrand, with pricing similar to the ranges above, often influenced by the tray width and load rating .

Material and Duty Considerations

- Material: Most right-angle bends for wall-climbing cable trays are made from pre-galvanised steel, which provides corrosion resistance and durability. Stainless steel or powder-coated options may cost more.
- Duty Rating: Medium-duty bends are suitable for standard commercial installations. Heavy-duty bends for larger or heavier cable loads may cost significantly more.
- Compatibility: Ensure the bend matches your cable tray width and type (ladder, p...
