

Search for Electroplated Zinc Cable Tray Manufacturers

Article Overview

Several companies manufacture electroplated zinc cable trays, including Quest Manufacturing, Basor Electric, EKV GmbH, Eurotray, and Hengtong Optic-Electric.

Key Manufacturers and Suppliers

Quest Manufacturing offers wire mesh cable trays with electro zinc plating, providing durability and a professional finish. Their trays are customizable in length and can be mounted on walls, ceilings, or under floors . Basor Electric produces the Basorfil BF2R wire mesh cable trays with the EZ1000 electro zinc coating, which delivers enhanced corrosion resistance, smooth surface finish, and zinc whisker mitigation. These trays are suitable for data centers, commercial buildings, and industrial facilities . EKV GmbH in Germany supplies components for machine and control engineering, including electroplated zinc cable trays, wiring ducts, and DIN rails . Eurotray provides cable management systems for various industries, offering reliable electroplated zinc solutions for organizing and protecting cables . Hengtong Optic-Electric Co., Ltd. is a global leader in cable and optical communications, operating multiple overseas manufacturing bases and producing electroplated zinc cable trays among other cable management products .

Additional Considerations

When selecting a supplier, consider factors such as corrosion resistance, customization options, installation environment, and compliance with industry stan...
