

Supplier of Custom-Made U-Shaped Steel Cable Trays

Article Overview

U-shaped steel cable trays are available from multiple reputable suppliers in the UK and Europe, including CEF, Eurostrut, RS Components, CMW Ltd, and Ekabel24.

Recommended Suppliers

CEF CEF offers a wide range of steel cable trays designed for industrial and commercial applications. Their trays are made from high-quality steel, providing durability and support for heavy cable loads. They offer various sizes and finishes suitable for harsh environments, ensuring secure and organized cable management . Eurostrut Eurostrut provides hot-dip galvanized and stainless steel cable trays, including U-shaped configurations. Their trays are suitable for indoor and outdoor use, with flexible widths and heights. Eurostrut emphasizes fast installation and safe cable routing, reducing the risk of overheating and cable failure. Quotes can be requested directly via their webshop . RS Components RS Components stocks a variety of steel cable trays, including ladder, wire mesh, and U-shaped designs. They offer stainless steel (304 and 316) and electrogalvanized options, providing excellent corrosion resistance. RS Components also provides datasheets, technical support, and fast delivery for professional installations . CMW Ltd CMW Ltd is a UK-based supplier with over 20 years of experience in cable management solutions. They offer high-quality steel cable trays for commercial and industrial projects, with next-day delivery and free shipping on orders over £100. Their products are suitable for a wide range of applications and come with expert support . Ekabel24 Ekabel24 offers a comprehensive selection of steel cable trays and ladders compliant with DIN EN 61...
