

Supply Chain of Outdoor Server Cabinet Manufacturers in Western Europe

Article Overview

Western Europe hosts a network of outdoor server cabinet manufacturers with integrated supply chains covering production, customization, and EU-wide distribution.

Key Manufacturers and Suppliers

IPCOM-Group is a prominent manufacturer and B2B supplier of server and outdoor telecom cabinets, offering factory-direct pricing and custom solutions. They maintain partnerships across countries including Poland, France, Italy, Belgium, the Netherlands, and Slovakia, enabling efficient EU-wide delivery. Orders are typically delivered in 4-5 days, with flexible logistics options and prepayment arrangements for secure transactions . Server Room Environments (UK) specializes in weatherproof outdoor cabinets for IT, telecom, and Edge computing applications. They provide bespoke manufacturing, paint services, and design enhancements such as sloped roofs, IP-rated ventilation, and thermostatic heating. Their supply chain emphasizes quality and compliance, holding ISO9001, ISO27001, and SafeContractor certifications, ensuring reliable delivery and installation across the UK and Europe . EFB-Elektronik (Germany) offers over 2,000 data cabinet products, including outdoor enclosures. Their supply chain integrates professional consultation, product customization, and direct delivery to clients, supporting both standard and specialized cabinet requirements . EDP Europe provides a full range of server and communications enclosures, including specialized solutions like chimney racks, multi-compartment co-location enclosures, and soundproof cabinets for edge computing....
