

UAE Industrial Distribution Box Brands

Article Overview

Leading industrial distribution box brands in the UAE include Kesher Automation, Al Safeenah, and Al Misbah Al Sehri Switchgear Industrial LLC, offering robust, certified, and customizable solutions for industrial power distribution.

Key Brands and Manufacturers

Kesher Automation Kesher Automation is a prominent UAE manufacturer and exporter of industrial distribution boxes. Their products are CPRI approved, ensuring compliance with international safety and performance standards. Kesher's distribution boxes are designed for overload, short circuit, and fault protection, with customizable configurations for seamless integration into existing electrical networks. They emphasize durability, energy efficiency, and long-term reliability, making them suitable for industrial, commercial, and infrastructure applications . **Al Safeenah** Al Safeenah offers a premium range of distribution boxes constructed from carbon steel, stainless steel, or thermoplastic. Their products feature IP65/IP66 weatherproof ratings, corrosion-resistant coatings, and modular DIN-rail designs for easy installation of MCBs, RCDs, and surge protectors. These boxes are widely used in construction sites, industrial plants, telecommunications, commercial buildings, and renewable energy systems . **Al Misbah Al Sehri Switchgear Industrial LLC** Based in Dubai, Al Misbah Al Sehri manufactures a variety of switchgear and distribution products, including main, sub-main, and final distribution boards, capacitor banks, motor control centers, and ATS panels. Their products are known for standard quality at competitive prices, catering to industrial and commercial electrical distribution needs
