

What are some fiber optic cable processing manufacturers in Azerbaijan

Article Overview

Key fiber optic cable manufacturers in Azerbaijan include STP Global Cable, OptoCom Telekom, Maybo Azerbaijan, WIRE LLC, and ArchiCO.

Leading Manufacturers

STP Global Cable is one of the largest cable producers in Azerbaijan, operating since 2009. The company manufactures a wide range of cables, including fiber optic cables, using automated, high-precision production processes. Their products meet international standards and are supplied to Europe, the CIS, and the Middle East under the “Made in Azerbaijan” brand, with strict quality control and modern laboratory testing for durability and reliability . OptoCom Telekom specializes in fiber optic cables and telecommunications solutions. The company provides high-speed, secure, and reliable fiber optic products and serves both local and international markets in over 30 countries. OptoCom also develops trade relationships with global manufacturers, offering both products and solutions tailored to customer needs . Maybo Azerbaijan represents international industry leaders and supplies fiber optic testing and measurement equipment. While primarily a distributor, Maybo provides comprehensive solutions for fiber optic network installation, testing, and maintenance, including OTDRs, power meters, and optical loss test kits . WIRE LLC is a major supplier and manufacturer of cable products, including fiber optic cables. Their production facilities use advanced European equipment and adhere to international quality standards such as ISO 9001 and ISO 14001. WIRE LLC emphasizes high-quality raw materials and modern manufacturing processes to ens...
