

# What are the prices for large-sized distribution boxes

## Article Overview

Large-sized distribution boxes come in residential, commercial, and industrial types, with prices ranging from a few hundred to several thousand dollars depending on capacity, features, and materials.

### Types of Large Distribution Boxes

#### 1. Residential and Commercial Breaker Panels

- Standard breaker boxes for homes and small commercial buildings.
- Can include double meter panels for multi-unit properties.
- Typically handle 12–42 circuits and may be modular for future expansion .

#### 2. Industrial Distribution Boxes

- Designed for factories, warehouses, and harsh environments.
- Include medium-voltage panels, 3-phase junction boxes, and control panels.
- Built with reinforced casings, multiple breaker slots, and vibration or moisture protection .

#### 3. Outdoor and Weatherproof Enclosures

- IP66/IP68 rated for protection against dust, water, and UV exposure.
- Materials include high-performance plastics, diecast aluminum, or galvanized steel.
- Suitable for solar, telecom, or utility applications .

#### 4. Modular and Smart Distribution Boxes

- Allow adding circuits for electric vehicles, solar panels, or automation systems without rewiring.
- Can include surge protection, remote monitoring, and energy management featur...
