

Where can I buy fiber optic patch cords in the EU

Article Overview

You can purchase fiber optic patch cords from several EU-based suppliers, including EFB-Elektronik, FS Europe, TME, and Signal Solutions, all offering a wide range of fiber types, connectors, and custom options.

Recommended EU Suppliers

1. EFB-Elektronik EFB-Elektronik offers a large selection of fiber optic patch cables, including LC, SC, ST, MTP/MPO, and E2000 connectors. They provide both single-mode and multi-mode fibers (OM3, OM4) and offer custom assembly services. Their online store allows you to buy pre-terminated cables, pigtails, and jumper cables directly from stock, with fast delivery and expert technical support available . 2. FS Europe FS Europe supplies fiber optic patch leads with bend-insensitive fiber design, supporting high-speed cabling up to 400G. All products are tested for end-face quality, insertion loss, and return loss, ensuring reliable performance for data centers and enterprise networks . 3. Transfer Multisort Elektronik (TME) TME provides a catalog of fiber optic patchcords and pigtails with instant shipping across the EU. They offer a variety of connector types and cable configurations suitable for both professional and industrial applications . 4. Signal Solutions Signal Solutions offers a wide range of single-mode and multi-mode fiber optic patch cords with customizable lengths, connector types (SC, LC, MPO, E2000), and labeling options. They cater to high-density networks and data center applications .
