

Where is the Belgian optical cable factory located

Article Overview

Belgium hosts several key optical cable manufacturers and distributors, primarily located in Wallonia and Flanders, serving both local and international markets.

Key Manufacturers and Locations

- Netconnect: Specializes in structured cabling and fiber optic installations for computer networks and telephony. Their operations focus on providing installation and maintenance services across Belgium, though specific city locations are not publicly detailed .
- Fiber Connect: A startup delivering high-speed internet via fiber technology, primarily active in urban and suburban areas of Belgium .
- Unifiber: A joint venture dedicated to expanding fiber optic networks in Wallonia, aiming to connect 600,000 households by 2028 .
- A-NET: Provides comprehensive fiber optic solutions including FTTH (Fiber to the Home) installations. They operate as a major installer and contractor in the Belgian fiber industry, with services across both Flanders and Wallonia .
- Telcom: A technical study office with expertise in FTTx and FTTH networks, serving clients throughout Belgium .
- BICS: Offers global connectivity solutions, including fiber optic deployment, with Belgian headquarters supporting international operations .
- Profibre: Focuses on fiber optic installation and network solutions, providing services across Belgium .
- Belram: Based in Belgium and Luxembourg, Belram distributes fiber optic cables,...
