

Which Nordic tray-type cable tray manufacturer is the best

Article Overview

Top Nordic cable tray manufacturers include Nordic Wire Tray, Meka, Siltec, and Øglænd System, all offering premium, customizable, and durable cable management solutions.

Nordic Wire Tray (NWT)

Nordic Wire Tray specializes in premium X-Tray cable laying systems, designed for flexibility, high load capacity, and fast installation. Their trays are made from high-quality materials suitable for harsh conditions and comply with IEC 61537 standards. NWT offers customizable solutions for unique project requirements, including different surface treatments, bracket spacing, and easy-to-install designs. Their trays are engineered for efficiency, requiring fewer fasteners and tools, and are continuously tested to ensure reliability and long lifespan .

Meka

Meka is a leading Nordic manufacturer with over 40 years of experience in cable support systems. They produce galvanized steel and acid-proof steel cable ladders, wire mesh trays, and aluminum-frame systems. Meka's products are suitable for high-load applications and environments such as pulp and paper, wood, food industries, and outdoor installations. Their KS80 cable ladders feature tube side profiles for protection against dust, dirt, and humidity, ensuring durability in demanding conditions
