

Which company makes the best professional ladder-type cable trays

Article Overview

Top manufacturers of ladder-type cable trays include Pemsca Cable Management, Thorne & Derrick, Legrand North America, Eaton, and Atkore International, known for high-quality, durable, and customizable solutions.

Leading Manufacturers

1. Pemsca Cable Management, S.A. Based in Madrid, Spain, Pemsca is renowned for its Metatray ladder-type cable trays, offering high impact resistance (20J), fire resistance up to 960°C, and a wide operating temperature range (-20°C to +60°C). Their products are widely used in industrial, photovoltaic, and railway applications, and they provide digital tools for design and installation efficiency . 2. Thorne & Derrick Headquartered in the UK, Thorne & Derrick specializes in industrial and hazardous area electrical equipment. Their ladder-type cable trays are suitable for power, renewable energy, construction, rail, mining, and petrochemical sectors, with strong technical support and global supply capabilities . 3. Legrand North America, LLC Legrand offers a broad range of cable management solutions, including ladder-type trays, with a focus on commercial and industrial applications. Their products are known for durability, ease of installation, and compatibility with various electrical infrastructure systems . 4. Eaton (B-Line Series) Eaton provides one of the widest ranges of cable management solutions, including metallic and non-metallic ladder-type trays. Their B-Line series supports virtually any commercial or industrial application, with extensive CAD/BIM design resources for engineers . 5. Atkore International Atkore is recognized for customizable stainless steel and galvanized la...
