

Zambia OEM Fiber Optic Pad 2 Cores

Article Overview

2-core fiber optic pads are available in Zambia through multiple suppliers, including AEDHS.com and LTS Group, offering both products and installation support.

Availability and Suppliers

In Zambia, fiber optic pads with 2 cores can be sourced from reputable suppliers such as:

- AEDHS.com: Supplies a wide range of fiber optic products, including patch panels, enclosures, and splicing materials. They provide door-to-door delivery across major cities like Lusaka, Kitwe, Ndola, Kabwe, and Livingstone, ensuring reliable access to 2-core fiber optic pads and related components .
- LTS Group: Offers a complete line of fiber optic products, including bulk cables, cable assemblies, patch panels, and enclosures. They also provide testing equipment and splicing materials, making them a one-stop solution for building and maintaining fiber networks .
- Agro Africa Zambia: While primarily focused on infrastructure and installation, they maintain over 3,000 km of fiber network and can supply and install fiber optic components, including 2-core pads, for corporate or government projects .

Technical Considerations

A 2-core fiber optic pad typically serves as a compact termination point for two optical fibers, allowing for:...
